Williams, Christopher
York County Funeral Directors Assoc
Ziegler, Ed

Because of your generous contributions, the PIMS Board of Directors has authorized all alumni contributions be directed to scholarship assistance.

This has enabled students to have the additional financial means to afford their education at the Pittsburgh Institute.

Each year \$50,000 is allocated to this fund which now represents the largest fund of its kind among all funeral service programs.

Please consider giving today.

Your new contribution will continue to be added to your past contributions and increase your rank over time.
